

*Around
the Square*

By Tommy-Ann Miller

Try to take a peaceful walk these days and you either:

1—Worry drivers who want to "give you a lift?"

2—Raise passing eyes.

3—Cause friends to gasp, "You aren't WALKING!"

In fact, anything can happen, particularly if you stroll at an unorthodox hour. Like the Sierra Madre pair who went to borrow a lemon from a friend at 3 a.m. What happened? They were jumped in the dark by a man who lit a match under their noses and hoarsed: "Who are YOU?" Turned out that the man was accompanied by other inhabitants of a nearby house (wearing nightgowns) and all were waiting for a late-dating member of the family.

ANOTHER foursome, footling it down Mountain Trail in the post-midnight hours, felt flagrantly vagrant when a police car pulled up and an officer flashlighted their faces, asking what they were "UP to?" (Had the quartet been shadow-slinking this might have been understandable, but they were in broad street light obviously "up to" nothing.)

DAYTIME walking is just as chancy. A dawn walk can easily be spoiled by the gawks of passing paper boys and milkmen. For example, take the two couples who often enjoy walking about Sierra Madre together. They happened to be ambling down the middle of the street when a little child spied them and shouted: "Come quick! Momma—a parade is passing by!"

Conclusion: The only person who really lets a walker pass unremarked is another walker.

CIVIC COFFEE. Everyone around the Square is invited to the first in a series of money-raising Civic Club Coffees at 10 o'clock tomorrow morning (Oct. 21) in the Karel home, 426 E. Laurel.

How will money be raised? Through the sale of Christmas items: Cards, corsages, dry arrangements, hangings, etc., provided by the club's workshop under Lois Hammer's guidance.

SO EAGER was one voter that she went to the Sierra Mesa polls Monday evening (a day early) and returned home in great indignation to phone a friend that "the election must be rigged" because the polls were closed before she'd had a chance to cast her ballot.

GONE GUTH. Mrs. Lotta Guth moved away from Sierra Madre yesterday, after nine years at 58 W. Grand View, formerly the home (for 16 years) of her mother, the late Kate McConnell. Mrs. Guth has bought a home near her son in Creswell, Ore.

TEN STITCHES in time on George Grijalva's wounded right hand which was cut when he handled some sharp pieces of steel at work.

THAT WAS former East Highlander, Dick Reynolds, featured as the kitchen planning expert during the 1960 Home and Decorator Show at the Pasadena Civic. Dick, his artist-wife, Mary, and sons, Barry and Rickey, moved to Monrovia not long ago.

LA LONE LUCK. Three un-gunsy La Lone brothers each netted a deer at Spring Camp in the San Gabriel Canyon last weekend (it was their second stalking this season). Edward got a 120-pound buck, Bob's weighed 135 pounds, and Earl's freezer is 148 venison pounds heavier.

Positive, Vigorous Outlook . . .

Community Dinner Is Rousing Success

(Picture on Page 10)

There was positive thinking and a vigorous outlook, auguring well for Sierra Madre's future at the Community Dinner Monday night under auspices of the Chamber of Commerce, and staged admirably at the Woman's Clubhouse.

With its theme, "The Future of Sierra Madre," there were rousing speeches led by John H. Curtis, C. of C. president; Col. Walter D. Thurber, master of ceremonies; Ralph Hurwit, program chairman of the C. of C. Merchants' Division; Ed E. Herwig, editor-publisher of the Sierra Madre News; Councilman Milton R. Emerson, Postmaster Charles E. Louk, and Manuel de la Torre, co-chairman with Ralph R. Rule of the Sierra Madre

Youth Day in Government Will Be Observed Nov. 22

If you are a young Sierra Madrean—and we do mean young—you can be chief of police for a day, or perhaps your interest may be toward fire trucks,—whatever it may be, you will have an opportunity to participate in our city government for a day, come Tuesday, Nov. 22.

We're 54 Years Old

The folio at the top of this page will indicate that this is the second issue of the 54th year of the SIERRA MADRE NEWS—that this newspaper was founded 54 years ago and has been published continuously ever since.

This is a record to be proud of in the publishing field—this is a challenge to the present owners and operators that in the years to come we will produce even better what we are pleased to term "The Best Little Weekly in the Southland."

As we surge forward in our 54th year—quite a long period in California and it puts us in the ranks of the pioneers—it is our pledge and purpose to put forth every possible effort to make this an even more improved community newspaper, one of which our readers and advertisers will be even more proud.

Special Sales Section

THE SIERRA MADRE NEWS today presents a special four-page section devoted to the advertisements of Sierra Madre merchants announcing their FALL DOLLAR DAY Bargains on sale today, Friday and Saturday of this week.

As Ralph Hurwit, chairman of the Sierra Madre Chamber of Commerce Merchants Division, in charge of this outstanding sales event, says:

"Our sale this fall, participated in by more than 20 of our leading merchants, presents a challenge to every prospective buyer in this area.

"Our merchants have made special preparation for the sale and what they have to offer in a wide diversity and assortment of top values constitutes a challenge to the buyers of Sierra Madre, Hastings Ranch and the Foothill Area.

"WE SUGGEST that customers do not delay in looking over the fine assortment of goods our merchants are offering at this Fall Festival of Values for we believe that once they do so they will want to get in on the ground floor and make their purchases without delay—we know they will be glad to have done so.

"And you can make it emphatic that the 'Welcome Sign' is out at each and every store."

Hiestand, at Rally Here, Pleads for Republican Congress; Lanterman Talks

Rep. Edgar W. Hiestand, facing his toughest battle in eight years in his campaign for reelection to Congress from the 21st Congressional District, made an earnest and eloquent appearance during Sierra Madre's stellar Republican rally in Memorial Park Saturday night, for election of both a Republican President and a Republican-controlled Congress to back him up.

"Richard M. Nixon as President can accomplish ten times as much if backed by a Republican Congress," was the gist of Rep. Hiestand's terse and telling statement to 300 enthusiastic, hand-clapping persons who bravely braved the cool night to attend Sierra Madre's biggest rally of the campaign.

Assemblyman Frank Lanterman of the 48th Assembly District, the other speaker, who introduced Rep. Hiestand, pleaded for Republican victories right down the line—Presidential, National Congress and State Legislature.

In the 48th the Democrats gained 3,617 to 2,449 for the Republicans. The latter, however, have a 21,504 overall.

A SURPRISE visit was paid the overflow gathering of more than 150 dinner guests by Rep. Edgar W. Hiestand of the 21st Congressional District, and these are less than 5 per cent, and these only for incidents, and that practically every cent collected goes to the benefit of Sierra Madre residents.

"It is a home-benefit undertaking in every particular," comments Mrs. Young, "and I wish especially to stress the benefits which our youth organizations derive from the Community Chest."

Here is a breakdown of the proposed allocation of funds for the coming year:

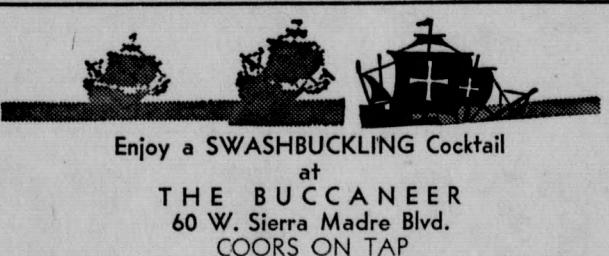

Boy Scouts, \$2,880; Girl Scouts, \$2,240; Camp Fire Girls, \$1,460; Nursery School, \$800; YMCA, \$500 Toy Loan, \$500; Children's Hospital, \$1,000; Orthopedic Hospital, \$100; Visiting Nurses Association, \$280; Family Service, \$2,200; USO, \$100; Travelers' Aid \$50; Reserve for uncollected pledges, emergencies and campaign, \$890. St. Rita's Annual Carnival To Be Held Oct. 22 at School

This coming week will be a busy time for members of St. Rita's Guild, as they, their children and menfolks, too, finish the final preparations for their big "Fall Carnival."

"The gaiety, laughter and happy anticipation of true carnival fun has begun to spread throughout the neighborhoods of Sierra Madre as the posters go up announcing the carnival."

The jolly clown, with his arms full of colorful balloons, is calling to all children and parents to come join the fun at St. Rita's school grounds, 322 N. Baldwin, Oct. 22 from 12 noon until 8 p.m.

Mrs. Edmond Pulone, carnival chairman, and Mr. Larry McGinnis, co-chairman, announce the day and evening will be a family fun day in the good old fashioned carnival spirit with entertainment for all ages. The proceeds of this affair are to be used for the purchase of a new organ for the church.

"Oven-flavor" from top-burner cooking

This is probably the most useful utensil made. It's ideal for roasting meats and making stews. A self-basting tight cover eliminates all hand basting. You can cook economy, cuts of meat as deliciously as the more expensive meats. Use it for deep frying, as a soup pot, or general utility kettle. A handy trivet comes with each Magnalite Dutch Oven.

FREEWAY FOR FREIGHT

Every day an average of 725 freight trains roll over Southern Pacific's 14,900-mile rail network in 11 Western and Southwestern states. They carry a daily average of nearly 300,000 tons of things produced, needed and used by people and industry. The ride is swift and smooth on a wide-open steel "freeway"—maintained at our expense, not the taxpayers'. No doubt about it, trains are the lowest-cost, most efficient form of transportation for carrying freight overland.

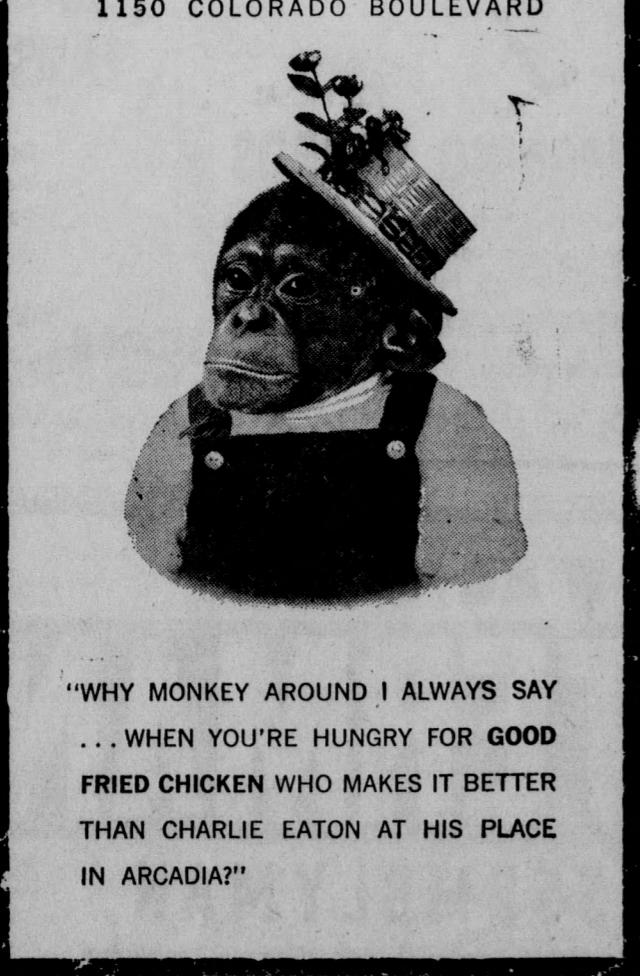

SEE-WAY FOR PEOPLE

What better way to take in the glamoroma of our West and Southwest than through the big, wide-angle picture windows of an S.P. streamliner. Twenty-five running every day, on our east-west routes and on the Coast. Curl up in your comfortable Chair Car seat or Pullman room and watch the show go by...mountains, valleys, lakes, forests, shoreline, desert, cities. Relaxed surroundings for dining or refreshments, and polite, attentive service everywhere on board.

Don't call Marge at home. She won't be there. Instead she's taking a few days off at St. Luke Hospital, where the doctors had a big conference and decided to take out her appendix. Husband, Brooks, and forth from the hospital, has been serving as secretary general and finding out what it's like around the house. The neighbors keep bringing him pie, which makes it all easier.

KNOCK AT least one knock at the door today or tomorrow, with an eager teenager on the outside—ready to sell tickets to the annual Football Circus. The "circus," co-sponsored by the Junior Chamber of Commerce and the Pasadena Council of Parents and Teachers, brings all the Pasadena junior and senior high schools together Nov. 5 in the Rose Bowl for a big football and pep rally—proceeds of which are used for student activities and welfare. When the "circus" began 26 years ago, during depression days, the proceeds went for milk for students.

The "circus" is a big family night affair, with elementary school girls giving a pre-game dancing demonstration. Then, in what will possibly be their only appearance as football players in the Rose Bowl, teams from six junior highs and two senior highs take the field in turn, to determine whether east or west schools are champions. Who wins doesn't really matter—but it surely is fun. Junior high pep squads, in home-sewn outfits and home-made pom poms, add to the general joy of the scene.

SEEMS AS though Ralph Johansen is living a bit "dangerously." He will be marrying Mary Elizabeth Faircloth the 27th of next month, but two weeks ago he took time out to have an emergency appendectomy at St. Luke Hospital. As if this wasn't enough to shake a prospective bridegroom, his appendix wasn't where it was supposed to be, so it wasn't 'til after the "window" had been opened that anyone, including the doctor, knew what was the matter with him.

HELEN SCHMICK was luckier than a lot of gals. Her mother, Mrs. W. Fercho, came all the way from Calgary, Alberta, Canada, to be

I was sitting around doing my usual amount of griping and such when my rather philosophical friend said in a pointed way:

"Why not relax about the things that you **must** do, and get a little pleasure out of them instead of being so put upon?"

Well, being a perfectly normal American female, I inwardly grumbled a bit, and thought "the nerve!"

You know, though, the more I thought about that remark, the more I realized that I had been doing just that. Griping about things that I really didn't mind doing in the first place and robbing myself and those around me of much pleasure.

I'll admit it is not always easy to change bad habits, and that in essence is all that most griping amounts to.

However, it is well worth the trying, if for nothing more than to raise your own morale. A bit of Pollyanna—but when you get right down to it, what's wrong with Pollyanna?

MRS. AND MRS. SAM MATOFF are back in their Old House Rd. home after a three-week vacation that took them all the way to our 49th state, Alaska.

They joined a Los Angeles Chamber of Commerce tour, along with around 155 other Southlanders.

The Matoffs left here by car, stopping at the Hearst Castle on their way to Vancouver, where they met the rest of the party and boarded the S. S. Prince George.

Their first port of call was Prince Rupert where they all visited a fish packing plant.

DORSEY of Fairpoint Ave. entertained at a pre-concert coffee and dessert party last Saturday evening. The affair was the Huntington Memorial Clinic Auxiliary Annual Benefit Concert at the Civic Auditorium.

Their party included Dr. and Mrs. Robert Mueller, Mr. and Mrs. Aikman Armstrong, Mr. and Mrs. James Samit, Mr. and Mrs. James Smith and ourselves. After the function many of the audience met again at the Valley Hunt Club.

MRS. JOSEPH MANGAN and Mrs. Clete Dorsey were hostesses this morning for a group of about 30 friends and neighbors at a lovely coffee klatch. The guest of honor was Mrs. Howard Owen, who recently moved into their new home on Villa Mesa. Theme of the party was carried out in the fall colors with a beautiful autumn centerpiece as the eye-catcher on the table.

On to Skagway where they were taken on the Yukon Rail way to Lake Bennett where they had lunch. They were entertained in Skagway that night by some of the local talent.

They returned home via Wrangell where again the local inhabitants extended their hospitality and entertained them.

They cruised through the Gardner Channel waterway in British Columbia, which is reputed to be one of the most beautiful sights of the North.

When they reached Kitimat, locale of the Canadian Aluminum Co., they were given a tour of the plant as well as a party by the company. The same thing happened in Ocean Falls, B.C.

There the Crown Zellerbach Paper Company gave them a tour through the entire plant. This is where they start to produce the paper from the trees.

After reaching Vancouver again, and their car, they returned home via the Columbia River Scenic Highway, finally ending up on the June Lake loop.

Laurence A. Dietzels Mark Silver Wedding Anniversary

Mr. and Mrs. Laurence A. Dietzel, 3119 E. Meyerloa, were honored last Saturday at surprise reception, celebrating their silver wedding anniversary, by their daughter, Joan, and son, Laurence A. J. Dietzel of El Paso, Tex., who with his wife and son, Laurence III, came to Pasadena in time to surprise his parents on Oct. 12.

The morning of the party a Silver Jubilee Mass, read by Father Timothy J. Crean, was held at 8 in Assumption of the Blessed Virgin Mary Catholic Church. A breakfast for immediate members of the family was held at a Pasadena restaurant.

The more than 250 guests were greeted at the party by Mr. Dietzel and his wife, who was attired in a navy blue suit, accented by a corsage of white cymbidiums, and his mother, Mrs. Eleanor H. Dietzel.

The refreshment table was decorated with arrangements of white flowers intermingled with silver leaves, and silver holders which held decorated white candles.

Two nieces, Terry Rogers and Judy Burleson, were in charge of the guest book and two nephews, William A. Allen Jr. and Michael Rogers, served the champagne and punch.

Ann Rogers, a niece, was at the coffee urn and Maria Allen, another niece, served the four-tiered wedding cake.

Troop 376
Breakfast Is
Due Saturday

Boy Scout Troop 376 of the Church of the Ascension will hold its annual breakfast this Saturday, Oct. 22, in Sierra Madre Park, from 7:30 to 10 o'clock.

Tickets for the breakfast, which will consist of fruit juice, pancakes, bacon, coffee and/or milk, are 50 cents a person and may be obtained from Walter Goodwin, Scoutmaster, Elgin 5-9561. Tickets will cover all you can eat.

The breakfast, a yearly

event, is the one money-raising project of the year for these Scouts, and both they and their leaders are deserving of all the support they can give.

Orders are now being taken for Christmas fruit cakes, made and sold by the Women of the Church. They will be ready on Sunday, Dec. 11, and will cost \$1.75 a pound. Orders may be placed with Mrs. Gustav Peterson, Elgin 5-8619, or at the coffee hour following the Sunday 10 Mass. Orders are limited, so they should be placed as soon as possible.

Parents of the Teen-Timers met last week to plan for the coming year's activities. It was decided that the social evening for the 7th, 8th and 9th graders would be held monthly, beginning this month on Friday, Oct. 22, and would run from 8 to 9:45 p.m. There will be games, dancing, and refreshments, with the parents taking turns as the chaperons.

National Life
To Be Explored
By Fortnighters

The roots of our political, social and religious ideas will be explored by the Fortnighters, adult discussion group at the Congregational Church when they meet in the Olive O'Byrne room this Friday evening at 8 o'clock.

The group is seeking to answer the deeper question, "How can we know God's will in our national life?" To this end, each person attending is asked to try to discover how his own political and social ideals have developed.

May we walk in Thy sight and Thy light, O Father,
for the benefit of Thy spirituality, Thy cause and our
humanity.

OUR OFFICIALS:
Rep. Edgar W. Hiestand, 21st Congressional District.
Assemblyman Frank Lanterman, 48th Assembly District.
Mayor W. Webster Vannier, Sierra Madre.

Our Library Board

There is something that needs to be said about the Sierra Madre Public Library situation.

Sierra Madre has one of the most beautiful little libraries in California. And one of the most useful. The books, periodicals and documentaries are excellent and thorough, affording adult patrons and students excellent reading and research facilities.

And it has had two excellent librarians in recent years in Miss Ruth J. Cain and Mrs. Wald, now Mrs. Marie Johnson of West Covina.

IN HER TWO YEARS as librarian, Miss Cain has developed the new Children's Room, increased services to classes in the public and parochial schools, developed the Black Memorial Fund, reorganized the reference services for students, revised a considerable portion of the catalogue and developed a series of displays, drawn from special hobbies and interests of Sierra Madreans, coordinating with the book collection.

Yet it has been necessary for these two fine workmen to resign, due primarily to undue interference from the Library Board comprising laymen who though perhaps well-meaning have been unable to grasp the professional touch and viewpoint of library work and accomplishment.

We wonder if it isn't time that members of the Library Board took stock of themselves, realizing that in a comparatively short time two librarians of a highly professional status have quit their posts because of undue interference in their work and efforts from some members of the board.

WE MAY GO so far as to say that if these uncalled-for and unwise interferences continue it would be right and proper to abolish the Library Board and return control of the library to City Council. That we mean City Council and not the city administrator—there is already enough one-man power concentrated in that post.

Unite on Proposition 15

The fact that labor and the Los Angeles Chamber of Commerce are united in their battle for Proposition 15 which would afford Southern California more equitable representation in the State Senate at Sacramento, is significant in itself. For it marks the first time that such an alignment of unity on any proposition has been effected by these two organizations.

That \$156,571.50 has been thrown into "a giant war chest" to defeat Southern California's efforts to obtain fair representation in the California State Senate also is significant, for its list of donors clearly indicate a concerted interest against the proposition by large corporate interests in the North, this despite the fact that Proposition 15 has received widespread support in San Francisco, which like Los Angeles county and city, suffers from unfair State Senate representation.

That Baus & Ross, public relations firm of 2796 West 5th St., Los Angeles, has been paid \$70,000 to fight Proposition 15 is not so significant except in the large amount paid them and their acceptance of a public relations task so inimical to the interests of the Southland in which their firm is located and from which it must derive most of its revenue.

THE REPORT of contributions was filed with certification by Walter M. Baird, treasurer of the so-called "Californians Against Prop. 15." A companion report disclosed expenditure of \$139,893.81 of the fund to date. This report was certified by James Dorais, identified as treasurer of Campaigns, Inc., campaign managers for the "committee."

Dorais also is a member of the firm of Whitaker & Baxter, San Francisco public relations firm closely associated with Baus & Ross.

Whitaker & Baxter is the firm which in early 1958 handled much of Gov. Goodwin J. Knight's campaign for election as senator. Knight, however, in mid-summer ended his connection with Whitaker & Baxter—he was not satisfied with the firm's handling of his campaign.

THE BAUS & ROSS list of expenditures included payment of more than \$6,500 to another Los Angeles public relations firm, Bishop and Associates, and payments of \$4,466.71 to the San Diego firm of Frederick G. Whitney and Associates.

One entry indicates Baus & Ross received a fee of \$7,500 for their handling of the campaign to date.

All this will indicate the vast interests arrayed against Proposition 15 and is one of the many valid reasons why in the interests of Southern California, especially its businessmen and workers, should unite in casting their ballots for Proposition 15 on election day. It is an honest and fair proposal.

Mayor Proclaims Oct. 24 As United Nations Day

Mayor W. Webster Vannier of Sierra Madre has issued the following, proclaiming Monday, Oct. 24, as United Nations Day in this city:

WHEREAS, the United Nations has made vital contributions to civilization in guarding mankind against the calamities of war, and

WHEREAS, the organization has also assisted in the advance of self-government and general welfare among dependent peoples and in progress toward the rule of law among nations and

WHEREAS, President Dwight D. Eisenhower has proclaimed Monday, Oct. 24, 1960, as United Nations Day, and

WHEREAS, California is the birthplace of the Charter of the United Nations and of the organization it created, and

WHEREAS, the President of the United States and the Governor of California have called upon all citizens to observe this fifteenth anniversary of the effective date of such Charter,

NOW, THEREFORE, I, W. Webster Vannier, mayor of the City of Sierra Madre, do hereby proclaim Monday, Oct. 24, 1960, as United Nations Day in and for the city of Sierra Madre, and I further call upon all residents of this city to avail themselves of this opportunity for better understanding of the purposes, problems and achievements of the United Nations and to support and participate in community programs for observance of this important anniversary.

300 Children and Adults Visit Fire Department; See Trucks, Talk to Firemen

Last Saturday at the Fire Department Open House, more than 300 children and parents excitedly marveled at the facilities as Chief Charles E. Brown and other firemen explained the "hidden mysteries" of all the levers, valves and gauges on the bright red fire-fighting machines.

For limited time, season tickets for the Arcadia Community Theater productions are being made available. The tickets are good for three admissions which may be used all on one play or one at each. They sell for \$4 a ticket. Interested persons call Kay Pedroni, HI. 7-1101.

Plays for this season will be "Happy Birthday," "Street Car Named Desire" and "Gi."

THE ALL-DAY exhibition climaxed a week-long campaign to make people more aware of the precautions that can be taken around their homes, or places of business, to be sure that fire does not destroy or damage their property. To help the Office of Fire Prevention in this task, the Kiwanis Club formed a Committee on Fire Prevention to aid and assist Marshal Embre, this being one of their many projects for the year.

Having seen a potentially dangerous brush fire last Sunday above Altadena, Marshal Embre reminds all that the high fire weather is not gone even if we have had a small amount of rain. Ensuing winds from the desert have dried the brush to a tinder box again. Fire prevention is a year-long endeavor, and personal responsibility of every parent and child. Remember, in the U.S. a fire every half-minute, the next one COULD be your home.

you think is right and to make the necessary sacrifices; and you have an obligation to the future to do your part in leaving the world a better place than you found it."
